

VINKYLARE

Natural refreshing  
elegance direct  
to your table

The **Vinkylare soapstone wine cooler** by Täljsten, with its combined elegance and efficiency, endows your table as well as your wines and champagnes with the prestige, elegance and natural ceremony that they deserve.

The **Täljsten Vinkylare wine cooler** replaces your champagne buckets and other modern cooling methods. No more need for ice and no more water dripping onto the table when using the **Täljsten Vinkylare wine cooler**.

The dimensions of the **Täljsten Vinkylare wine cooler** are 12 cm x 12 cm x 19 cm (width x length x height). It weighs 3.8 kg. It can keep cold any 75cl bottle or carafe measuring between 8 and 9 cm in diameter.
